

OPEN DAY

27 April 2016, 11:30-15:00

Are you interested in the everyday life of a **multinational company**? Are you inspired by **continuous learning and development**? Would you like to experience a **young, dynamic and supportive corporate culture**?

Visit British Telecom's office in Debrecen and experience from first hand the daily operation of one of the world's leading telecommunications companies!

Date and venue of our Open Day:

27 April 2016, Wednesday, 11:30 – 15:00

British Telecom, Debrecen, Vár Utca 3, North Tower, Hungary

Please arrive between 11:30-12:00, we will wait for you in the office entrance!

Following a short company introduction, you will be provided with an insight into the various role types and activities covered by the business units operating in our Debrecen office – such as **Service Delivery, Service Assurance, Sales, Configuration, HR and much more.**

You will also receive a short introduction of the **programme we plan to launch in September as a lecture at Debreceni Egyetem**, covering topics such as:

- Career Management
- Time and Goal Management
- Assertive Communication
- Presentation Techniques and Public Speaking
- Stress and Conflict Management
- Long-term Learning Strategies
- Project Management, etc.

About BT in Hungary

British Telecom is present in Hungary since 1999, and in 2007, it opened its Regional Operations Centre in Hungary (BT ROC Ltd.) with offices in **Budapest and Debrecen.**

Today the centre employs **more than 1800 highly qualified, multi-lingual professionals**, of which **over 440 are based in Debrecen.** BT in Debrecen currently offers **more than 80 open positions** in the areas of service delivery and service assurance.

To get to know more about us, watch our brand video: www.youtube.com/watch?v=5X_IGUXw0i4

Let's meet on the 27th of April!
