

Entrance examination for foreign applicants (BA programme)

Applicants wishing to pursue studies at BA level at the IEAS are expected to take an online language exam that consists of a test on grammar and vocabulary, reading comprehension check and essay writing. This online exam is administered by the *Coordinating Center for International Education*. If they pass this written exam, they will be invited for an oral interview. A committee of two examiners from IEAS will engage the candidate in a free conversation on some of the topics listed below:

- the candidate's personal background
- the use of technology in education
- issues in education
- the impact of social media
- travelling
- healthy living
- free time/hobbies
- arts/entertainment/creativity

The oral interview is administered via skype by IEAS, and candidates are notified about the committee's decision (accepted/rejected) in writing on the same day.
